

## How to get to the Institut Européen des Membranes (IEM):

**Address :** IEM, 300, Avenue du Professeur Emile Jeanbrau, Montpellier

**Attention :** due to heavy road works the description on the IEM website is no longer correct, however the map is still useful.

Please follow these instructions:

Take the **Tram line 1** to the stop « **Universités des Sciences et Lettres** »

From here you can either walk to the IEM (10 minutes walk via the University campus, use a GPS or the map below)

Or

You can take the **bus 22** or the **Shuttle bus B** (with the same ticket as the tram line) and get off at the bus stop “**Ecole de Chimie**”.

Just cross the road and follow the “CS<sup>2</sup>FE 2021” signs to the IEM.
